AMENDED IN SENATE APRIL 20, 2005

SENATE BILL

No. 136

Introduced by Senator Denham

February 1, 2005

An act to amend Section 48204 of the Education Code, relating to school attendance.

LEGISLATIVE COUNSEL'S DIGEST

SB 136, as amended, Denham. School attendance requirements.

Existing law, until July 1, 2007, authorizes a school district to allow a pupil whose parent or guardian is employed in the school district to attend a school in the school district through grade 12 if the parent or guardian of the pupil so chooses, as specified.

This bill would instead, until July 1, 2007, authorize a school district to allow a pupil whose parent or guardian is employed in the school district for a minimum of 20 hours per week to enroll in a school in the school district and to continue to attend a school in the school district through grade 12 if the parent or guardian of the pupil so chooses, and if one or both of the parents or guardians of the pupil continues to be employed by an employer situated within the attendance boundaries of the school district. The bill would ~~also specify that employment does not include performing work as an independent contractor~~ *encourage the school district to annually verify the continued employment within the attendance boundaries of the district of the parent or guardian of the pupil.*

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

SECTION 1. Section 48204 of the Education Code, as added by Section 2 of Chapter 529 of the Statutes of 2003, is amended to read:

48204. (a) Notwithstanding Section 48200, a pupil is deemed to have complied with the residency requirements for school attendance in a school district, if he or she is any of the following:

(1) (A) A pupil placed within the boundaries of that school district in a regularly established licensed children's institution, or a licensed foster home, or a family home pursuant to a commitment or placement under Chapter 2 (commencing with Section 200) of Part 1 of Division 2 of the Welfare and Institutions Code.

(B) An agency placing a pupil in a home or institution described in this paragraph shall provide evidence to the school that the placement or commitment is pursuant to law.

(2) A pupil for whom interdistrict attendance has been approved pursuant to Chapter 5 (commencing with Section 46600) of Part 26.

(3) A pupil whose residence is located within the boundaries of that school district and whose parent or legal guardian is relieved of responsibility, control, and authority through emancipation.

(4) A pupil who lives in the home of a caregiving adult that is located within the boundaries of that school district. Execution of an affidavit under penalty of perjury pursuant to Part 1.5 (commencing with Section 6550) of Division 11 of the Family Code by the caregiving adult is a sufficient basis for a determination that the pupil lives in the home of the caregiver, unless the school district determines from actual facts that the pupil is not living in the home of the caregiver.

(5) A pupil residing in a state hospital located within the boundaries of that school district.

(b) (1) A school district may deem a pupil as having complied with the residency requirements for attendance in the school district if one or both of the parents or legal guardians of the pupil is employed for a minimum of 20 hours per week within the boundaries of that school district.

1 (2) (A) This subdivision does not require the school district
2 within which the parents or guardians of a pupil are employed to
3 admit the pupil to its schools. A school district shall not,
4 however, refuse to admit a pupil under this subdivision on the
5 basis, except as expressly provided in this subdivision, of race,
6 ethnicity, sex, parental income, scholastic achievement, or any
7 other arbitrary consideration.

8 (B) The school district in which the residency of either the
9 parents or guardians of the pupil is established, or the school
10 district to which the pupil is to be transferred under this
11 subdivision, may prohibit the transfer of the pupil under this
12 subdivision if the governing board of the school district
13 determines that the transfer would negatively impact the
14 court-ordered or voluntary desegregation plan of the school
15 district.

16 (C) The school district to which the pupil is to be transferred
17 under this subdivision may prohibit the transfer of the pupil if the
18 school district determines that the additional cost of educating the
19 pupil would exceed the amount of additional state aid received as
20 a result of the transfer.

21 (D) The governing board of a school district that prohibits the
22 transfer of a pupil pursuant to subparagraph (A), (B), or (C) is
23 encouraged to identify, and communicate in writing to the
24 parents or guardians of the pupil, the specific reasons for that
25 determination, and is encouraged to ensure that the
26 determination, and the specific reasons therefor, are accurately
27 recorded in the minutes of the board meeting in which the
28 determination was made.

29 (E) The average daily attendance for pupils admitted pursuant
30 to this subdivision is calculated pursuant to Section 46607.

31 (F) Unless approved by the sending school district, this
32 subdivision does not authorize a net transfer of pupils out of a
33 school district, calculated as the difference between the number
34 of pupils exiting the school district and the number of pupils
35 entering the school district, in a fiscal year in excess of the
36 following amounts:

37 (i) For a school district with an average daily attendance for
38 that fiscal year of less than 501, 5 percent of the average daily
39 attendance of the school district.

1 (ii) For a school district with an average daily attendance for
2 that fiscal year of 501 or more, but less than 2,501, 3 percent of
3 the average daily attendance of the school district or 25 pupils,
4 whichever amount is greater.

5 (iii) For a school district with an average daily attendance of
6 2,501 or more, 1 percent of the average daily attendance of the
7 school district or 75 pupils, whichever amount is greater.

8 (G) (i) Once a pupil is deemed to have complied with the
9 residency requirements for school attendance pursuant to this
10 subdivision and is enrolled in a school ~~in a school~~ district whose
11 boundaries include the location where one or both parents of a
12 pupil is employed, or where the legal guardian of the pupil is
13 employed, the pupil does not have to reapply in the next school
14 year to attend a school within that school district and the school
15 district governing board shall allow the pupil to attend school
16 through grade 12 in that school district if the parent or guardian
17 so chooses and if one or both of the parents or guardians of the
18 pupil continues to be employed by an employer situated within
19 the attendance boundaries of the school district, subject to
20 subparagraphs (A) to (F), inclusive.

21 ~~(3) For purposes of this subdivision, employment does not~~
22 ~~include performing work as an independent contractor.~~

23 (ii) *A school district is encouraged to annually verify, before*
24 *the commencement of the school year, the continued employment*
25 *of one or both of the parents or guardians of a pupil enrolled*
26 *pursuant to this subdivision by an employer situated within the*
27 *attendance boundaries of the school district.*

28 (c) This section is inoperative on and after July 1, 2007, and as
29 of January 1, 2008, is repealed, unless a later enacted statute, that
30 becomes operative on or before January 1, 2008, deletes or
31 extends the dates on which it becomes inoperative and is
32 repealed.
